#### ALEX Chingas Bio

ALEXANDER H. CHINGAS, Partner & Director The Riverside Realty Group, Ltd.

Alex is a Multi-Million Dollar Top Producer in the Fairfield County, Connecticut marketplace concentrating on the sale of luxury residential listings, waterfront, estate, condominium and new construction homes. Working happily with everyone from first-time buyers to experienced investors (and one of the nation's preeminent real estate families, to handle their personal transactions); Alex is an award-winning agent who attributes his success to boundless enthusiasm for his work and steadfast loyalty to his clients. He has been a Westport resident for nearly two decades, and is proud of his in-depth knowledge of the local schools, recreational and cultural amenities.

Alex has consistently been named "Associate of the Month" for attaining the highest closed sales volume, and earned the International Diamond and Sterling Society designations while affiliated with NRT's Coldwell Banker Residential Brokerage; awards which are reserved for the 126,000 agent company's top performing sales agents around the globe. While at Coldwell, he held the title of Previews Property Specialist in recognition of his top 5% accomplishments in the high-end brokerage arena. Mr. Chingas has made an indelible mark on the local community, brokering the sale of some of the area's most prominent estates - among them: "The Oaks at Equestrian Trail", "The Lucille Lortel White Barn Theatre" property, "Twin Walls", "The Farist House", "Hemlock Hill", "Stone Hearth" and many other fine homes which rank among the area's highest sales.

He is frequently sought-out by the media, including NBC-4 television, New York Living magazine and Connecticut Cottages & Gardens for his insight on market conditions and access to the world of elite properties. Placing an emphasis on up-to-the-minute technology, Alex earned the coveted "e-PRO" certification from the National Association of Realtors, a designation held by only 1% of the organization's one million-plus members which solidifies his commitment to the internet's emerging opportunities for his clients.

Most important to Alex are the many friendships he has forged with his clients which make this business so rewarding.

In addition to his brokerage activities, Mr. Chingas is a co-founder and Director of The Riverside Realty Group, LTD headquartered in Westport, CT - one of the nation's key upscale housing markets.
